

EPiC SEATING™

EPiC Seating™ es un sistema de gestión postural que permite realizar cambios posturales a lo largo del día según sea necesario para favorecer el posicionamiento.

- Permite cambiar de posición manteniendo el control pélvico.
- Ajustes sin necesidad de herramientas.
- EPiC incluye: Soporte pélvico, tubos telescópicos, manetas de accionamiento, pistón de gas y palancas de bloqueo. No incluye respaldo ni reposacabezas.
- Sólo se suministra montado en Leggero Enzo. Para el resto de sillas hay disponibles tutoriales de montaje.
